I could write a book if I had the time. Time time, time – where does it all go? Before you know it we'll be out of school – believe it or not! I enjoyed knowing you, Tommy, and I hope we'll always remain friends. Don't be afraid to have a mind of your own and by all means use it. I hope you won't forget me – I know I won't forget you! Love ya,
Diane

Good luck always
to a sweet guy

T. C. CARLTON
PRINCIPAL

One of the most distinguished men of Montgomery serves as principal of Robert E. Lee High School. He is T. C. Carlton, the man who has served the people of East Montgomery as friend, worker, and builder of better educational institutions. Mr. Carlton started his career as Lee High principal when it first opened in 1955. Much of its success in the academic fields, football championships, and band awards can be attributed to his keen interest in these fields.

Mr. Carlton has been the panel discussion moderator of the National Association of High School Principals which meets in Chicago, Illinois. Mr. Carlton's real hobby is Robert E. Lee High School, but he also enjoys golf and sporting events. Robert E. Lee is most fortunate to have a man as capable as Mr. Tim Carlton to head this school.

CLINTON CARTER
ASSISTANT PRINCIPAL

Clinton Carter, who is now in the midst of his fourth year as assistant principal of Robert E. Lee High School, is a man of many honors. He graduated from Troy State College where he was vice president of the Student Government Association and listed in "Who's Who Among Students in American Colleges and Universities." He also attended Auburn University.

Mr. Carter was a teacher at Capitol Heights Junior High, Goodwyn Junior High, and principal of Catoma Elementary School before coming to Lee. He was president of the Montgomery Principals' Association and a past president of the Montgomery Classroom Teachers Association.

Hobbies enjoyed by Mr. Carter are reading, hunting, fishing, and being with his two young daughters and wife. Robert E. Lee High School is very lucky to have such an outstanding assistant principal as Clinton Carter.

Art Department

The Art Department has three divisions: Mechanical drawing, manual art, and creative art. This development seeks to aid the individual's conception of man-made contributions to society. It also endeavors to develop student's interest in the creative field.

The Creative Art Department sponsors a showing of the most artistic works in oil, and in sketching.

The woods, metal, and drafting classes give students practical experience to help them succeed in their careers. Not only do they learn the basic skills of crafts, but also they learn how to care for tools. These courses prepare students for enjoyable avocations as well as for useful vocations.

Business Education Department

The major purposes of the Business Education Department are: vocational competency, adaptability to occupational change, personal use of business subjects, consumer-business competency, and social economic competency. The Business Education Department points with pride to its accomplishments over these past years. Many students have been satisfactorily placed in their first jobs as a result of the training they received in the department. Many other students have had a more satisfactory adjustment in college and/or on the job as a result of the principles and understanding they acquired in business law, economics, and arithmetic classes. Robert E. Lee graduates of the Business Department are able to secure good jobs in the State government as well as in local business offices and at Maxwell and Gunter Air Fields. Many go on to college and come back to teach in the local schools and in other schools throughout Alabama.

Drivers Education Department

Drivers Education has been offered at Robert E. Lee High School for the past seven years. In that time, over three thousand students have each spent forty hours in classroom work discussing laws, causes of accidents, and proper procedures used in driving. They also have spent an average of fifteen hours on the machines. The major objective of the course is to reduce the number of accidents from the age group of twenty-five and under.

English Department

English is the only required subject for all students; therefore, the teachers in the department feel that they should offer a variety of materials in order to give each student a chance to achieve whatever diverse aims his own talents and interests suggest. Also, the responsibility of citizenship requires that students master the interrelated skills of communication, listening, speaking, reading, and writing.

For the past six years, the National Council of Teachers of English has awarded students in the department certificates of honor for excellence in its competitive writing program. Through work in the elective creative clubs for boys and girls, students have had essays, short stories, and poems published in **Young America Speaks,** a publication sponsored by the Los Angeles Poetry Association.

Language Department

FRENCH—The French Department, represented by Jayne Pugh in Individual Competition at the State Convention of French Clubs at the University of Alabama in 1965, was awarded the prize of an album of French records by the French Government.

LATIN—The Latin classes strive to stimulate interest in Latin and make known the importance of Roman language and customs in today's life. Robert E. Lee offers its students three years of Latin. Students who wish to further their knowledge of the language may join the Latin Club which is affiliated with the Junior Classical League, a nation-wide organization.

SPANISH—The purpose of the Spanish Department is to offer students a study of the Spanish language, the customs of Spanish-speaking countries, and the history of these countries. By a study of the language we learn the acquiring and development of Spanish speech habits to the extent that the student will be able to express himself in this foreign language.

Mathematics Department

The Mathematics Department is entrusted with the responsibility of leading the students of Robert E. Lee High School to their maximum attainment of the appreciation, the knowledge, and the skills of modern mathematics. Excellent preparation of students for present use and future needs in a mathematically orientated society is the ultimate expression of the department's goals.

Evidence that the high purposes of the department have been implemented in the daily teaching process is the outstanding success of present and former students. Annual participation in the National Mathematics Contests, National Science Foundation Summer Camps, Computer programs of I.B.M., and science fairs have led to recognition for the department and reward for the students.

Recently the Mathematics Department has been awarded a Certificate of Merit by the Mathematical Association of America and the Society of Actuaries for outstanding proficiency in high school contests.

A charter for the establishment of Mu Alpha Theta, an international mathematics club for high schools and junior colleges, has been granted to honor students of the department. The charter is awarded only to schools with excellent programs in mathematics.

Music Department

VOCAL MUSIC—The Vocal Music Department at Robert E. Lee, under the direction of Miss Ellyn Dudley, is composed of 250 singers. The department features three groups: the Glee Club, the Sophomore Girls' Chorus, and the Choral-ees. Two of the main attractions every year are the Christmas Concert and the annual Spring Concert in which all three groups perform. The Glee Club also performs at school assemblies and ceremonies throughout the year.

INSTRUMENTAL MUSIC—The Robert E. Lee High School Marching Band consists of ninety-six instrumentalists, an eight-man color guard, eight majorettes and a drum major. The band appears at all Lee football games and at all the annual Blue-Gray games which are televised nationally and overseas by the Armed Forces Network.

After football season there are two concert bands. One, composed of the more advanced players, presents two concerts and participates in the Alabama Bandmasters Association Competition Festival at Tuscaloosa. The second band is a preparatory group and performs at various civic functions.

Physical Education Department

The purpose of the Physical Education Department at Robert E. Lee is to aid the development of the student to his fullest potentialities in physical growth, neuromuscular development, emotional control, and social awareness. It provides opportunities to acquire skill in a variety of activities, to develop leadership and fellowship, and to acquire a sense of achievement and enjoyment through participation.

The physical education program has these specific objectives in mind: (1) organic vigor, (2) normal symmetrical growth, (3) good posture, (4) strength, (5) endurance, (6) power, (7) speed, (8) agility, (9) balance, (10) flexibility, (11) relaxation, and (12) coordination.

Activities in the program include touch football, basketball, volleyball, softball, track, and classes in health education.

The Girls' Physical Education program has received a tremendous boost this year through the efforts of Mrs. Nancy James and Mrs. Ann Rowell.

Science Department

The Science Department seeks to awaken in students a desire to use in their daily lives the knowledge provided by science. It also provides an interest in the various fields of science so that the student may choose his or her profession before entering college.

The Science Department awards each year the Bausch and Lomb Honorary Science Award. This medal is presented to the senior student who, in the estimation of the faculty, has achieved the best record in the study of science.

For many years students have taken various examinations to obtain scholarship in science for their college careers. The department has an enviable record in the preparations of students for higher study.

Social Studies Department

The success or failure of individuals and nations depends, to a degree, upon skill in human relationships. The primary duty of the social studies teacher is to help each student to acquire the knowledge and develop the abilities and characteristics which will enable him to live effectively and harmoniously with other human beings, taking his place as a useful participating citizen of the community, the nation, and the world.

The Social Studies Department seeks to create an awareness in the student of his rights and responsibilities as a citizen. It also develops an understanding of our heritage and an appreciation for the role of the United States in today's world.

Home Economics Department

The Home Economics Department strives to prepare students for present and future family living. It also wishes to instruct the students in the maintenance of satisfactory personal, family, and community life. This department attempts to develop a sound sense of values and better buying practices. Cultivating wholesome attitudes of students is also one of the department's objectives.

As a means of emphasizing the total program, the Home Economics Department sponsors activities throughout the year. Luncheons and other types of entertainment are planned, prepared, served, and hostessed by the students as actual learning experiences.

SENIOR CLASS OFFICERS

Robert Parker, President; Chip Armstrong, Secretary; Bobby Sims, Vice-President; Mrs. Adourian, Mr. Guy, Sponsors.

We the Senior Class of 1966 are the first graduating class of the second ten-year period. We can be most proud of our unity, which has helped us to receive state and national recognition in scholarship, athletics, music, drama, and other extracurricular activities.

Our successes are a credit to the skillful guidance of the faculty and also to the excellent example set forth by the great Christian gentleman and scholar, General Robert E. Lee.

We as Seniors have not reached the climax of our lives, but we have, after following the General's high ideals, attained a glorious golden rung on the Ladder of Life.

JUNIOR CLASS OFFICERS

Beverly Beaird, Secretary; Sharon Spear, Vice-president; Bill King, President. SPONSORS: Mrs. Loeb, Mr. Baisden, Mr. Bozeman.

We, the Junior Class of 1966, fell easily into the routine of school life at Lee because we were eager to become a part of this great school.

We have helped maintain the high standards of sportsmanship, have upheld the spirit for which Lee is so well known, and have been well represented scholastically. May this, our junior year, rich in unforgetable memories, also be rich in the power to give us a vision of the radiant years before us.

As we look to our senior year, we face the future with confidence because we know the knowledge we gain at Lee will be a guide in our lives and in our future.

Because the yearbook is something special and the proud responsibility of its staff, its purposes should be reviewed and constantly kept in mind. These purposes give meaning to the book and help to prolong its active life. First, a yearbook is a memory book, a reliable record from the tenth through the twelfth grades and as individual and personal as the owner himself. Each person will interpret its story in the light of his own experience. Second, for the school and for the students who work on the staff, the yearbook is a valuable educational experience. Third, a yearbook serves as a public relations agent. The book can make friends for the school, or it can alienate interest and sympathy or fail to change static indifference.

The Generals made their 1965 debut at Legion Field where they used a spectacular ground game which netted three "extra" touchdowns. The fighting Red crushed the Ensley Yellow Jackets 24-0. The Generals took command in the opening period, scoring the first time they had the ball. Quarterback Tommy Traylor climaxed a 49-yard drive when he scored on an eight yard run keyed by Steve Dunn's block. Davey Welch kicked his first of three "extra" points, and Lee was on top 7-0. Ensley was forced to punt three times, and the Generals surrendered the ball on downs once more before any more scoring. With six seconds left in the half, Welch booted a 33-yard field goal to put the Generals in front 10-0 at halftime. The second half hardly got under way before halfback Jimmy Andrews scooted 52 yards for the second General Touchdown. A second Welch conversion made it 17-0 with 9:38 remaining in the third quarter. Lee forced Ensley to punt and Howard Bozeman ran 75 yards for the first of the extra TD's as a clipping penalty put the Generals back at midfield. Staples made a 49 yard T.D., but it was also called back due to a clipping penalty. In the final period Ensley was forced to punt, and Bozeman ran the ball from his own 22 into the end zone, but a clipping penalty brought the ball back to Lee's 10. Four plays later Scott raced the final 58 yards, and Welch booted the extra point.

The Big Red, scoring in every quarter, made their Cramton Bowl opener an overwhelming success as they rolled over Tallassee 42-0. The Tigers took the opening kickoff but were forced to punt, and Lee took over on their own 25. In nine plays the Generals were on the scoreboard with fast, hard earned points. Andrews carried the ball across from the 10, and Scott's conversion made it 7-0. After two first downs by the visitors they fumbled, and Lee recovered on the Tiger 29. Bozeman dashed off the 29 yards, and Scott came through with the extra point. In the third quarter Tallassee made a minus four yards in three plays, punted short, and Lee set up camp on the enemy 45. Pelham Staples took Lee's first play to the 11. Four plays later King went to the right end and hit paydirt. A boot by Scott gave the Generals a 21-0 lead. Gene Melton took a Tiger punt to the 7 yard line, and King skirted across on the next play. Scott kicked true to give Lee a 28-0 lead at half. In the second half Elbert Bell returned a punt to the enemy 15, and Staples and Scott made runs for the T.D. The conversion made it 35-0. Moody took a punt and went to the one, and then McClinton went off right tackle for the final T.D. The sixth Scott PAT ended the scoring for the night.

Robert E. Lee's offense got better as the time went by, and the defense was rugged all the way as the Generals won their third straight game with a 34-6 victory over Ramsay. Spence McCracken fell on a Ramsay fumble at the 40 to put Lee in striking position. Andrews went to the right for 27 yards, then Bill Moody went to the two on the next play to set up Traylor's scoring scamper. Welch, back after suffering from a knee injury booted the PAT. Buddy Beshears dived on a fumble in the end zone for the second T.D. of the first half. Punter Joe Carlile of Ramsay dropped the high snap, and a flood of Redshirts charged for the ball. Later in the second period Traylor fumbled at his own 38, and Wehby recovered and went from the 43 to the end zone. The PAT attempt was unsuccessful. Lee wasted no time getting on the scoreboard in the third quarter. Newton intercepted a Ramsay pass at the Ram 41, and four plays later Andrews went in from the nine. The PAT failed when the snap was fumbled. After taking a punt at the 35 Moody, Traylor, and Bozeman in five plays put the ball on the Ramsay five. Andrews then went in for the T.D. Marshall recovered a Ramsay fumble, and in two plays it was at the 26. Paul Scott went 74 yards behind tremendous downfield blocking. Welch added the PAT.

Through a raging storm of offensive plays, the Lee Generals struck hard and downed the Etowah Blue Devils. Fast as lighting the Generals took charge of the game as they received the opening kickoff and marched 67 yards in 9 plays to positively charged paydirt with Bozeman good for the score. The extra point by Welch was wide. Not long afterwards the Generals took advantage of a misplaced punt by Etowah. The punt, one of few to come that night, went out of bounds on the Lee 27. Four plays later Scott skirted over from 10 yards out for a T.D. Welch was good for the PAT and the score, 13-0. Etowah cut the gap with a late second quarter touchdown but the first half wasn't over. As Lee pounced on an onside kickoff, Traylor raced 38 yards for a T.D. Lee recovered a Blue Devils' fumble 17 yards from the goal and Bozeman crossed the double stripe. Mike Teague recovered another Etowah fumble at the General's 48 to set Lee up again. Paul Scott went 7 around right end to climax a 14 play drive. Frederick then intercepted an Etowah aerial at the Blue Devils' 45 and scampered to paydirt. The final touchdown came as Traylor passed to Frederick at the 15, who was waiting with arms extended and went over untouched. This ended the Generals advance on Etowah as the final score appeared 48-7.

Robert E. Lee of Montgomery uncorked running power galore to overtake and stamp out Robert E. Lee of Jacksonville, Florida 38-7 in another of the Montgomery Generals' one-sided offensive games. This was proven early in the first quarter as Montgomery's Howard Bozeman in a criss-cross run, handed off the Jimmy Andrews who raced 76 yards to paydirt on the opening kickoff. Davey Welch's PAT was good, and the Generals of Montgomery were on their way. The Montgomerians marked another up for themselves after Tommy Traylor, leading five successful plays, hit Steve Dunn for a 23 yard connection and paydirt. After some terrific running by Jerry Fontaine and Jimmy Andrews which drove the Generals to the Jacksonville 13 yard line, the visitors recovered a fumble. However on the next play, Mike Teague of Montgomery recovered a fumble by the Floridians. Traylor found a hole as he bowled over a Floridian and ran for another T.D. Again Welch was good for the PAT and the score was 21-0. With only seconds remaining before the half ended, Davey Welch proved his winning ability as he booted a 24 yard field goal. Jacksonville's Generals scored next on a fine 75 yard drive giving them their sole 7 points. As Lee of Montgomery found its way into Jacksonville territory Paul Scott tallied six more with a short pass for Traylor, giving the Montgomerians a win in the first of a seried of four encounters between these two fine teams.

Robert E. Lee's battling Generals with defense standing tall when the chips were down, rode Davey Welch's 23-yard field goal to a 3-0 victory over an angry pack of Tuscaloosa Black Bears on Lee's Homecoming night. The Bears kicked off, forced Lee to punt, then moved to the Generals 32 where David White punted dead at the four. The pigskin was carried to the 46 by Howard Bozeman and Jimmy Andrews, but a clipping penalty forced another Connie Frederick punt. Tuscaloosa tackle Paul Boschung pounced on a General fumble at the Lee 38, but the visitors could make but nine yards in four downs against the Redshirts defense and surrendered the ball at the 29 yard line. On a fourth and one situation Bozeman scooted to the Bear 31 yard line. The Andrews and Scott combined for 18 yards and a first down at the 13. On the third down from the six yard line Welch's punt spilt the uprights to end the first half action. Tuscaloosa took the kickoff, and Causey on the third play went a long 62 yards. Later he was stopped on a fourth down attempt by Ted Watts, and Lee took over at the 13. Lee was forced to punt again but on the next try moved to the Bear 15 where a fourth down pass was deflected in the end zone. Tuscaloosa had to give up possession again, and Lee kept the ball for the remaining five minutes but failed to score.

Even though it took a while, the Robert E. Lee Generals grouped their daring forces together and wasted no time in defeating the Phillips Red Raiders of Birmingham 36-14. The challenging Red Raiders put up a fight as they charged downfield to paydirt on their second play from scrimmage. Lee, after punting, struck back to tie the score as Howard Bozeman scooted 15 yards capping a 60 yard drive, and Davey Welch kicked the extra point. Bill Moody crossed the goal line on a 13 yard run for the Generals' go-ahead touchdown. Welch again was good for the PAT. This was accomplished after Traylor's 29 and Andrews' 28 yard jaunts drove the Generals into Phillips' territory. Welch booted a 29 yard field goal when the Generals got bogged down on the Raider 12. The half ended with the Generals ahead 17-7. The second half began for Lee with Buddy McClinton's interception of a Phillips' aerial. Elbert Bell, two plays later, took it over for the Generals T.D. Connie Frederick intercepted another Raider pass but the Generals stalled on the Magic Citians' 39. Phillips then drove to the Lee 17 and surrendered after being pushed back to the 28. The final score for the Raiders came as Bubba Allen intercepted a Traylor pass and scampered 62 yards to paydirt. Paul Scott's 31 yard gainer ignited the Generals again as Traylor scored six plays later on a five yard run. Traylor then passed 17 yards to Frederick for the final score of the game.

A second half scoring outburst, spearheaded by 93 and 70 yard touchdown runs and a 53 yard paydirt gallop carried the Dothan Tigers to a rousing 21-7 victory over the previously unbeaten Robert E. Lee Generals. The Big Red took the opening kickoff and marched for a touchdown in four plays. Bozeman and Andrews carried for 28 yards the first three plays then Andrews went to the right for 23 yards and the score. A Welch PAT put the Generals ahead 7-0. But on the ensuing kickoff the Tigers sent Hillman loose on a 93 yard run for their T.D. A conversion knotted the score 7-7. After Dothan forced Lee to punt without a first down, Gary Newton and Emmet Poundstone blocked a Tiger punt and the Generals took over at the enemy 27. But the Redshirts failed to take advantage as Ray Hutto pounced on a Traylor fumble and gave the Tigers the ball at their own 30. Then Shell bucked for 17, then Smith subbing for injured starter Tommy Wade, scooted 53 yards for a T.D. Shell's PAT gave the Tigers a 14-7 advantage with 4:21 left in the period. Lee drove to the Dothan nine and there were driven back in three plays. Welch missed a 40 yard field goal attempt. After another forced punt Hillman ran 70 yards for another Dothan touchdown. Lee then fought down to the visitors 20 before a pass was intercepted. A Traylor pass to Steve Dunn put Lee at the Tiger 8 as the final horn blew.

In another daring clash the Lee Generals ambushed the Vigor Wolves and defeated them 38-26. On the opening kickoff a Vigor man recovered a Lee fumble at Lee's 24 yard line. The visitors carried it in for the first T.D. and PAT. Lee fumbled and lost the ball near midfield. Keith Green recovered it for Lee when Vigor fumbled on the next play. This time the Generals' Traylor scampered to the Vigor 12 yard line. Three plays later he sneaked over for the T.D., and Welch's extra point tied up the game. The Generals moved downfield with Andrews good for 41 and Bozeman making another 41 for the score. Bozeman's 5 yard punt return to the Vigor 24 put Lee "on the go" again. Traylor scored but a penalty brought it back. Welch missed the field goal attempt. Gary Newton's pass interception set up Welch's 22 yard field goal giving Lee a 17-7 lead at the half. In the third period Lee produced a threat as McCracken recovered a fumble on the Vigor 20. Vigor stopped the next three plays. Holder Pep Pilgreen, on a fake field goal play, ran with the ball for the first down. Bozeman carried it across, and Welch's kick was good. Then Andrews took over a 59 yard scoring jaunt for Lee. Vigor scored after a fumble on the Lee 23. Pilgreen picked off another Wolves pass at Vigor's 6, and Fontaine bulled into pay-dirt. Vigor raged downfield again for the final score to the game.

Had it not been for kickoffs starting two amazingly similiar halves, neither Lee nor Lanier would have scored in their 48 minutes of savage football. But it just so happened that the pen and the sword were equal in power for the second time in this classic exhibition. Everett Marshall recovered Lanier's opening kickoff, but the team behind him failed to go anywhere on the first three plays. But a penalty moved the ball to the 43, and this seemed to be the break Lee needed. Little Howard Bozeman reeled off 13 to the 30, and Jimmy Andrews dashed 15 to the 15. Andrews and Fontaine carried the ball 9 and 3 yards to the 3. Fontiane then smashed through the line and across the double stripe. A high snap was given, and holder Pep Pilgreen tried to run the yardage, but officials ruled that his knee had touched the ground. Lowder moved the second half kickoff to the 21 as Lanier began their drive. Using Jennings and McDavid, Lanier moved to the Lee 14 where a penalty led to an important first down. Jennings gained six and a penalty moved it inside the three. Newton threw McDavid for a one-yard loss but Jennings got the yard back then bucked for two to the one. On the fourth down Jennings went one yard through red jerseys to score. The Grubb's PAT missed, and the two city foes finished as even as they started.

SANDRA WELLS

D.A.R. Good Citizenship Girl

To be chosen as D.A.R. Good Citizenship Girl is one of the highest honors a girl at Robert E. Lee can receive. The Senior class selected Sandra Wells for this honor on the basis of her leadership, patriotism, dependability, school spirit, loyalty, and service. Sandra is senior editor of THE SCABBARD. She has been a member of the Spanish Club, the Coral-ees and the Glee Club for two years. This year she was chosen class favorite and Most Intellectual in the Who's Who. Sandra is treassurer for the National Honor Society. She has maintained an A average since entering Lee, and she is rated first in the Class of 1966. Congratulations to a most worthy recipient.

National Merit

BILL KENT

HENRY PUGH

The National Merit Program has several important goals. First, the program is primarily a nationwide search for talented students. The program also provides services for business corporations, foundations, colleges, and individuals who are seeking qualified scholarship candidates. As one means of encouraging youth to perform to the maximum of their abilities, recognition is given students who distinguish themselves in the Merit Program. Scholarships are awarded to as many as possible to help them continue their education.

The National Merit Scholarship Corporation is an independent nonprofit organization concerned solely with scholarships. It administers the nation's largest independently supported college scholarship program for high school seniors and assists in other scholarship programs.

A Merit Scholarship is a four-year award to be used at an accredited college of the student's choice. The college must be located in the United States, and the recipient's program of study must lead to one of the usual baccalaureate degrees. The scholar is responsible for making arrangements with his college and for fulfilling its admission requirements.

A Merit Scholarship, is made up of two parts—the award to the student and a grant to the college. The college grant is made in recognition of the fact that tuition frequently does not meet the full cost of a student's education. The student grants are variable because they are individually tailored to the student's need and the college involved. The one great, and obvious, advantage of determining student grants on the basis of need is that the system is sensitive to the individual's particular circumstances.

The National Merit Scholarship Qualifying Test is a three-hour test of educational development. A new form of the test is designed each year for the Merit Program by Science Research Associates. This test is composed of five subtests (English usage, social studies reading, natural sciences reading, mathematics usage, and word usage.) These subtests together test the student's ability to use the English language, his ability to reason, evaluate, and draw logical conclusions, and his knowledge of word meanings.

The Merit Test is designed to measure the student's ability to use what he has learned—to think critically and to apply factual information to the solution of problems. In brief, the National Merit Scholarship Qualifying Test is a test of readiness for college that measures both aptitude and attainment; its purpose is to discover those bright students who have applied their abilities.

Editors' Message

Dear Friends,

These few words are, in essence, a sign of relief. The last minute rushing to meet deadlines, the photographing, the cropping, the typing and proofreading, the disappointments and the downright arguments are once again over. The job of producing an outstanding annual is far greater than anyone can possibly imagine. It is an effort which requires co-operation and assistance from a countless number of individuals.

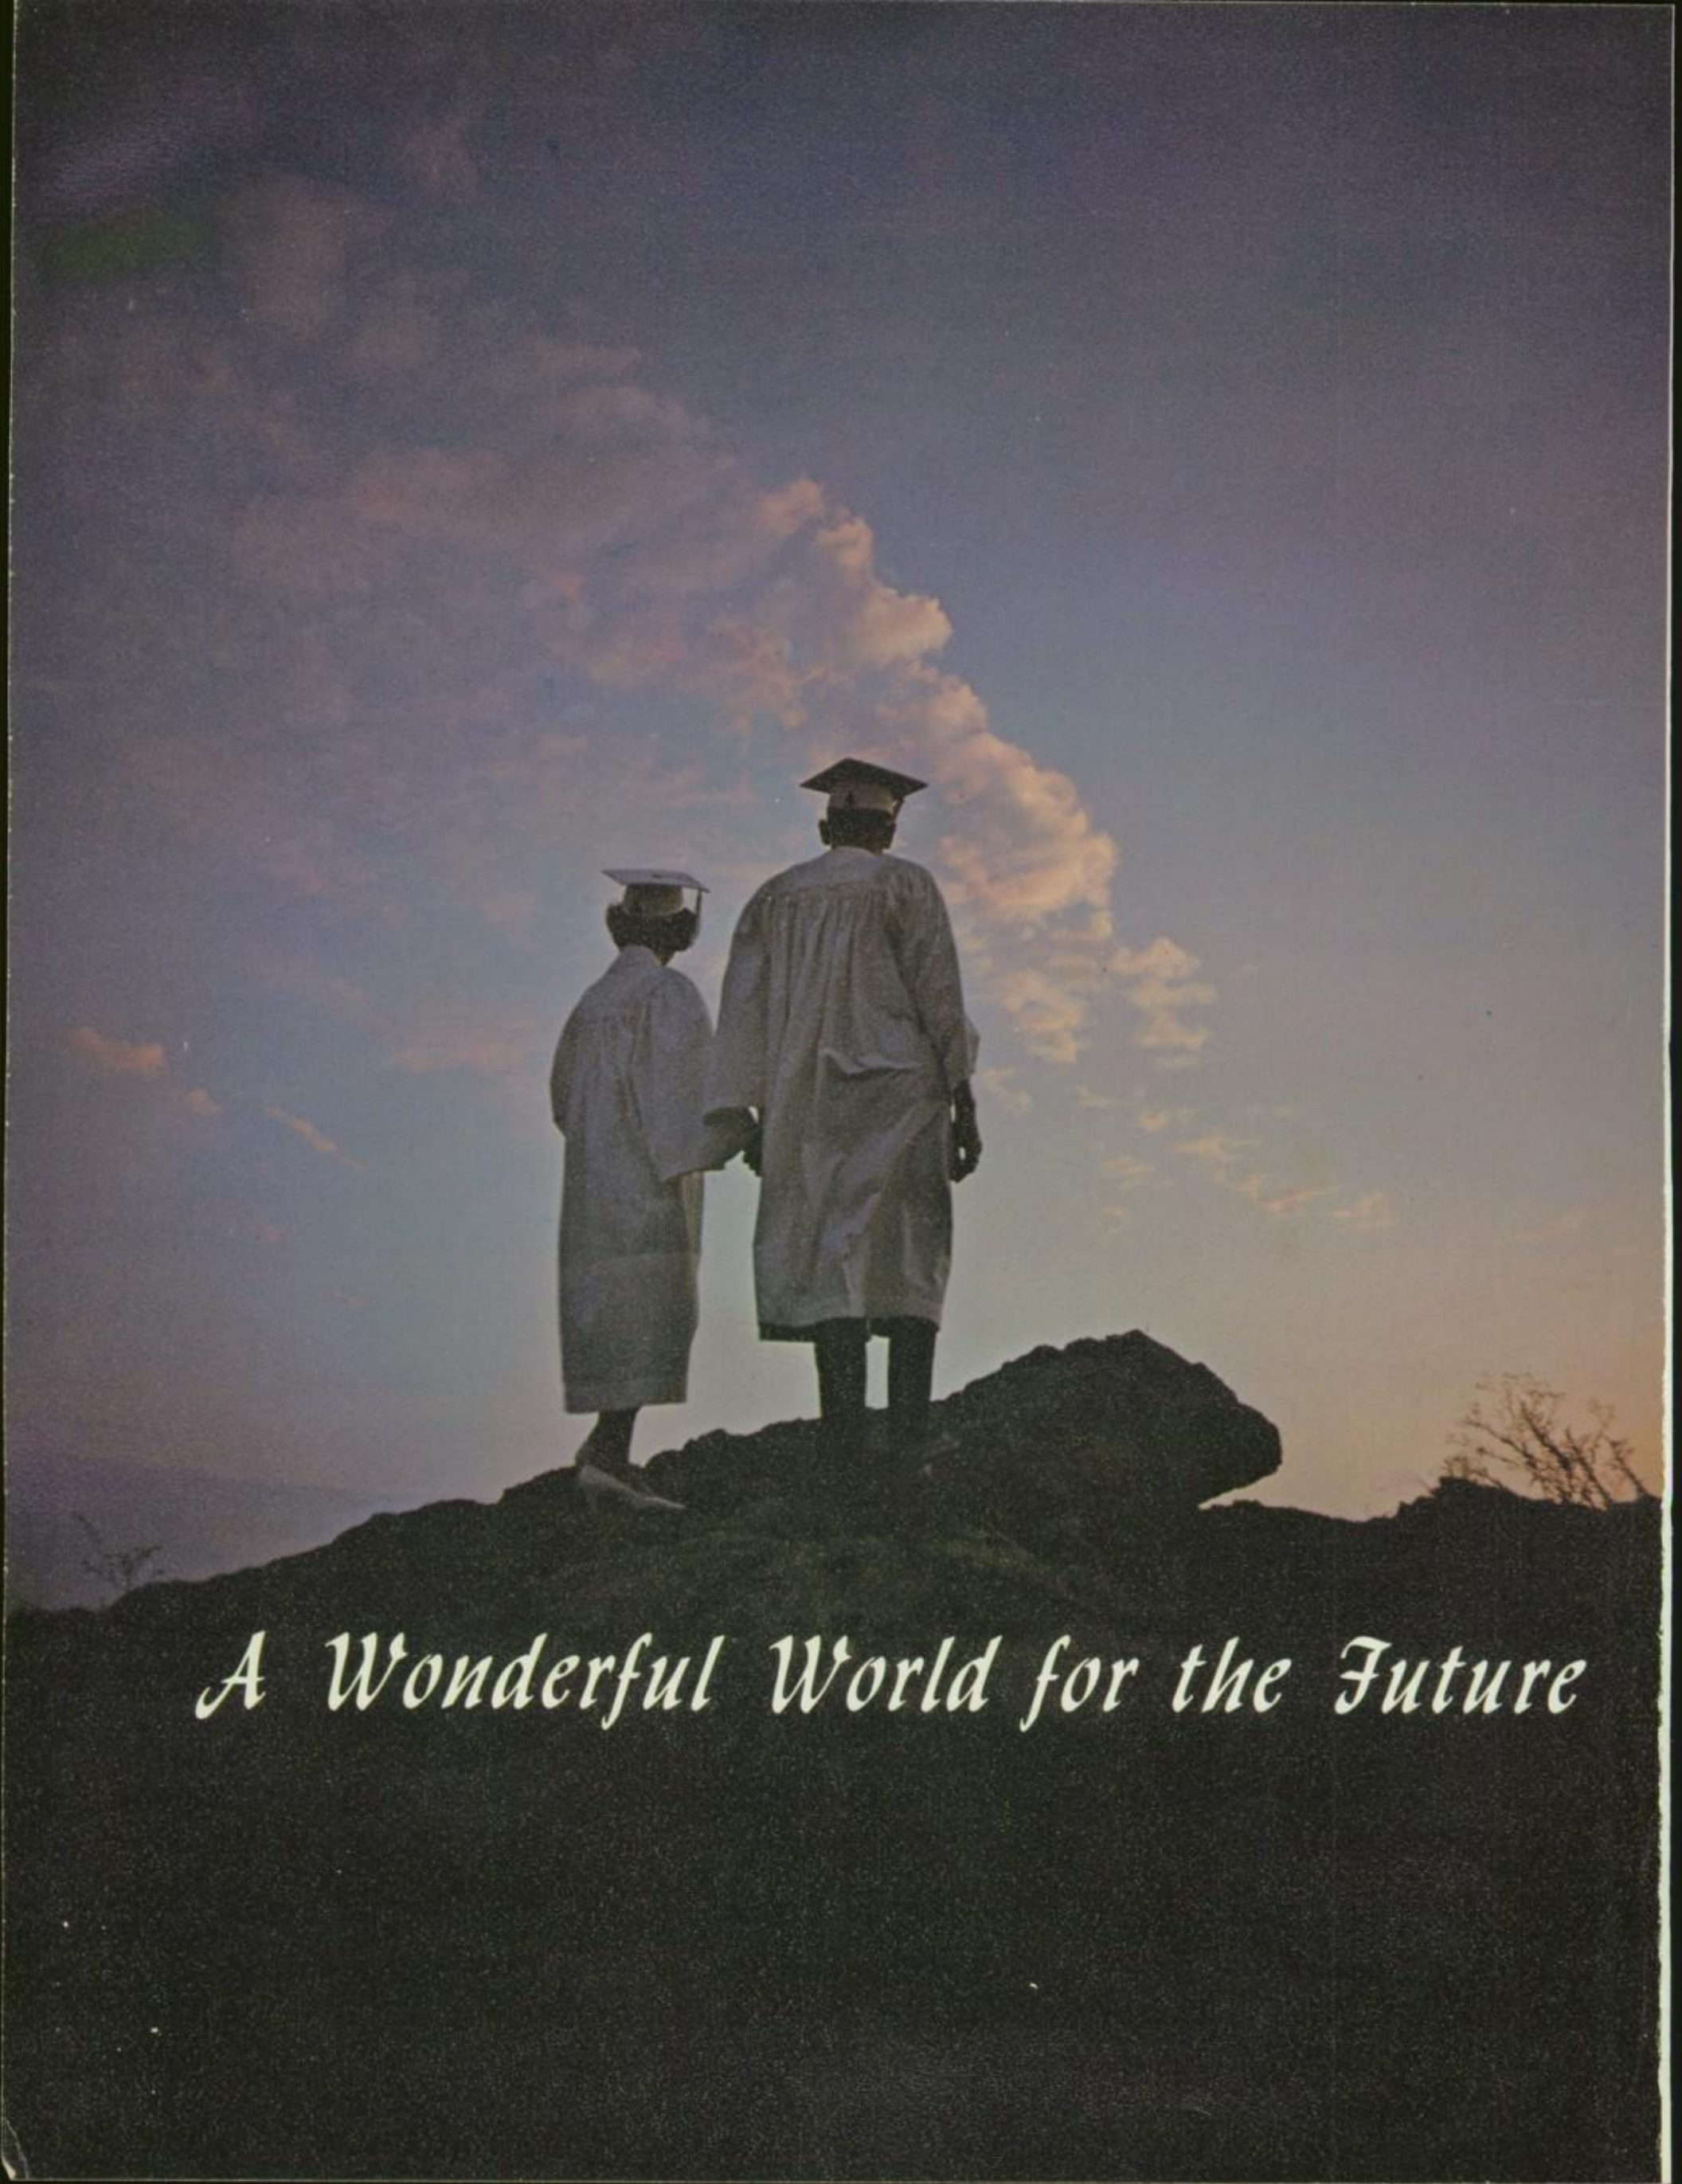
Now is the most appropriate time to bestow due thanks to some of the people who were influential in our production. Naturally, thanks go to our staff whose aid and assistance can not be adequately put into words. We would like to thank you, the students and faculty of Robert E. Lee High School, for your co-operation and for the success of the SCABBARD Subscription Drive. Important also are the representatives from Paragon Press and Paul Robertson Photography Studio. We are indebted to all employees of Paragon Press and Paul Robertson Studio who have worked so hard to photograph and publish our ideas. Last and most grateful thanks go to our sponsors, Mrs. Corrie King and Mr. Varner Rushton. These two individuals have had undying patience and given us much needed advise throughout the year. Again thanks go to our sponsors.

As Co-Editors we are especially proud of our yearbook. It is worth only as much as you value your high school memories. We hope that THE 1966 SCABBARD records for you "What A Wonderful World We Have At Robert E. Lee High School.

Sincerely,

Cindy Cask

Melanie Hammond



A Wonderful World for the Future

Tommy,
You are a

Well, Y. C.?
U Cut books like
U won't be with
you next year. (I hope)
U'll be with
Cats + it's
sorry you'll be
Graduate next
year. I really don't know
what U'll do without
you around here
every morning. But I won't ever have this trouble
you'll get behind your studies. OK.) Well
at college! But I'll have this trouble
then we'll be so far behind, maybe he'll
flunk + have to repeat, an unfortunate
something you'll always regret.
Lots of Love + Always,
Linda Kay

Tommy,
you are a very
sweet and cute
boy. I have
enjoyed knowing
you this year.
Best of luck

Dear Tommy,
Have a Wonderful
Summer. Don't
eat too much
candy + don't
get too fat.
Love,
Mary Ann

Lots of luck
mainly because
you need it. Keep
up your slow pace
and you'll always
be well me,
Mike Hartless

Tommy, You're a very sweet,
cute and nice young man.
May you always have
the best of luck!
Love ya,
